### Profile

Highly skilled software developer with experience in Angular, .NET, MongoDB, React, Node.js, and MongoDB.

Strong experience in developing and maintaining web applications using modern technologies and frameworks.

Proven track record of delivering high-quality, scalable software solutions on time and within budget.

### Skills

Programming Languages: JavaScript, C#

Frontend Technologies: React, Angular, HTML, CSS, JQuery

Backend Technologies: ASP.NET, WebAPI, .NET Framework, MVC, WCF, WPF, Winforms, Node.js

Databases: MongoDB, SQL Server, Mysql

Version Control: Git

Cloud Platforms: Azure

### Professional Experience

Sr. Software Engineer | Onsolve | Feb 2023 – Present

1. Develop and maintain web applications using React, ASP.NET, and SQL Server.
2. Contribute to the design and implementation of new features and enhancements.
3. Work as part of a team to deliver high-quality software solutions within budget and timeline.

Software Engineer | Sysfore Technologies | July 2021- Feb 2023

1. Developed and maintained multiple web applications using Angular, .NET, and MongoDB.
2. Implemented responsive design principles and optimized performance for mobile and desktop devices.
3. Collaborated closely with the development team to deliver new features using agile methodologies.

### Projects

Bajaj Auto:-

1. Utilized Angular framework to address bug fixing, implement UI enhancements, ensure responsive design, and integrate APIs.
2. Conducted thorough analysis and troubleshooting to identify and resolve issues, ensuring smooth and efficient software operation.

Chaitanya Audit:-

1. Developed RESTful API using .NET and implemented UI features using React.
2. Designed API endpoints, defined data models, and implemented business logic to ensure a well-structured and standardized API.

## Health2Home:-

1. Worked on frontend development using Angular to create responsive and interactive UI components.
2. Collaborated closely with the design team to transform their requirements into functional elements, leveraging Angular's component-based architecture.

Education
-----------

### Master of Computer Applications (MCA)

Year of Completion: 2021

University/Institute: Acharya Institute of Technology, Bangalore

Percentage: 74.80%

### Bachelor of Computer Applications (BCA)

Year of Completion: 2018

University/Institute: Dr. BC Roy Engineering College, Durgapur

Percentage: 64.70%

### Higher Secondary (Class XII) - Science

Year of Completion: 2015

School/Institution: OP Sharma Smarak College

Percentage: 69.60%

### Secondary School Certificate (Class X) - Science

Year of Completion: 2013

School/Institution: Chandra Shekhar Singh High School
